Students' Feedback Form 2022 - 2023

Objective of this form is to collect constructive feedback for improving quality of education. Your responses will pave the Departments / College the way in their future endeavor to strengthen them in all aspects. For the results to be most useful, your response should be:

- as objective and sincere as possible
- based on your own individual thinking
- based on overall effectiveness rather than on the impressions gained through isolated incident(s)
- considering each feature independently, without being influenced by your other response.
