**“My happiness is limitless because it does not consist naturally in my own happiness, but my happiness consists in the happiness of the thousands of students, young and old, boy and girl that received education in our vast campus.”**

Quote from the last speech of our founder of Dr.RM. Alagappa Chettiar Educational Trust, March1957.

Dr. RM. Alagappa Chettiar was a visionary who harbored a firm conviction that education is an absolute must for a human being to become productive, wholesome and humane. When India became independent, he answered the call of the Prime Minister to help educate India by spontaneously offering to set up an Arts College in Karaikudi. His munificent donations led to the inception of a string of educational institutions, which formed the basis for the establishment of the Alagappa University in 1985 by the Government of Tamil Nadu. The magnificent gift of 300 acres of land and fifteen lakhs of Rupees donated by Dr. RM. Alagappa Chettiar facilitated the Government of India to select Karaikudi as the seat of Central Electro Chemical Research Institute. Within a span of two decades, he demonstrated his versatility as a successful business tycoon, an intrepid academician with a vision to revolutionize his native town of Karaikudi single- handedly and changed the course of history by transforming a mere scrub jungle into a galaxy of educational institutions.
